*This Is Just Exactly Like You* May 31 2020 "Richly imagined, beautifully written, and completely absorbing. I found myself spellbound, turning pages well past my bedtime. What a fine, fine book." -Tim O'Brien After Jack Lang impulsively buys the house directly across the street from his own, his wife, Beth, has finally had enough. She leaves him- and their six-year-old autistic son, Hendrick-for Jack's best friend, Terry Canavan. Jack tries telling everyone he's okay, but even he's not so sure. When Hendrick, who rarely talks, starts speaking in fluent Spanish, Jack knows he's in uncharted territory. But once Canavan's ex- girlfriend Rena turns up at his door to see how things are going, Jack begins to suspect the world could be far more complicated than he'd ever believed. Set against a landscape of defunct putt-putt courses and karaoke bars, parenthood and infidelity, *This Is Just Exactly Like You* is a wise and witty debut novel with captivating insights into marriage, autism, suburban fiasco, and life's occasional miracles.

**Exactly What You Mean** Jun 24 2022 From an exciting new voice in literary fiction comes a brilliantly innovative, tender and unsettling novel exploring what it means to lose our innocence Surrounded by the dramatic beauty of Guernsey, a teenager discovers a secret and finds his

betrayal has the power to ruin adult lives. In London, a marriage shot through with infidelity leads to a quest for revenge, resulting in a series of simultaneously comical and catastrophic events. And in California, as wildfires threaten landscapes and lives, a young veteran struggles with the trauma of war, seeking solace at a local ranch. In this extraordinary debut, a cast of characters grapple with unexpected betrayal, the loss of innocence and the lies we tell. With sharp insight, Ben Hinchell illuminates the unnerving nature of what it means to grow up, to be a teenager playing at adulthood and an adult playing games.

The Oxford Illustrated History of the Book Feb 08 2021 In 14 original essays, *The Oxford Illustrated History of the Book* reveals the history of books in all their various forms, from the ancient world to the digital present. Leading international scholars offer an original and richly illustrated narrative that is global in scope. The history of the book is the history of millions of written, printed, and illustrated texts, their manufacture, distribution, and reception. Here are different types of production, from clay tablets to scrolls, from inscribed codices to printed books, pamphlets, magazines, and newspapers, from written parchment to digital texts. The history of the book is a history of different methods of circulation and dissemination, all dependent on innovations in transport, from coastal and transoceanic shipping to roads, trains, planes and the internet. It is a history of different modes of reading and reception, from learned debate and individual study to public instruction and entertainment. It is a history of manufacture, craftsmanship, dissemination, reading and debate. Yet the history of books is not simply a question of material form, nor indeed of the history of reading and reception. The larger question is of the effect of textual production, distribution and reception - of how books themselves made history. To this end, each chapter of this volume, succinctly bounded by period and geography, offers incisive and stimulating insights into the relationship between books and the story of their times.

*Nothing in this Book is True, But It's Exactly how Things are* Oct 24 2019 A personal psycho-spiritual journey, this book is a revised and expanded edition of a cult classic popular among fans of metaphysical literature. Photos & illustrations throughout.

*The Suburban Manifesto* Jan 07 2021 What is the most invasive form of government in the United States? Which one can most directly mess with your life, your family every day, every moment, 24/7? The federal government? That massive, indifferent bureaucracy managing labyrinthine social programs, a huge military and formidable, security agencies monitoring your phone calls, email, and texts - all for your protection? Got to be the feds, right? Wrong. Who governs your water purity, the number and types of pets may keep? Who determines how many police and fire personnel are necessary to protect you, how many libraries you get and whether they provide free computers? Who operates those tiny digital cameras monitoring your intersections? Who? City hall. Astonishingly powerful. Touching your life, every moment, every

day. Acceptable perhaps, but only if your local government provides you quality city services, remains attentive to your needs, and works to ensure that you remain the top priority of all city operation and planning. But, what if your city hall seems unconcerned about how that power affects you? What if the local government your tax money supports treats you as a nuisance when you demand city services? What if your local elected officials are more interested in accommodating big development and big business than you? What do you do? Revolt! That's what author Joe B. Vaughan, Jr. did in the early-1990s. He led a highly successful, democratic coup against his ineffective, corrupt local government, ultimately electing a 5-7 majority voting bloc on city council to run the city exactly as his neighbors and he wanted. You can too. The Suburban Manifesto describes how to effectively organize your movement, establish a communications network, create presentations to influence/intimidate city commissions/boards/councils, use the media to your benefit, select/elect good candidates. Read The Suburban Manifesto. Make city hall do exactly what you want! It's your right.

**Heads You Win** Mar 09 2021 Heads You Win is international #1 bestseller Jeffrey Archer's most ambitious and creative work since Kane and Abel, with a final twist that will shock even his most ardent of fans. Leningrad, Russia, 1968: From an early age it is clear that Alexander Karpenko is destined to lead his countrymen. But when his father is assassinated by the KGB for defying the state, Alexander and his mother will have to escape Russia if they hope to survive. At the docks, they have an irreversible choice: board a container ship bound for America or one bound for Great Britain. Alexander leaves the choice to a toss of a coin... In a single moment, a double twist decides Alexander's future. During an epic tale, spanning two continents and thirty years, we follow Alexander through triumph and defeat as he sets out on parallel lives as Alex in New York and Sasha in London. As this unique story unfolds, both come to realize that to find their destiny they must face the past they left behind as Alexander in Russia.

**Be Exactly Who You Are** Nov 17 2021 Girls perform to fairy songs. Boys play football all day long. Boys yell 'Boo!' and run away. Girls like kittens and ballet. Except when they don't. A lively and empowering reminder that you do not have to choose between dolls or robots, or pink or blue - you can be exactly who you are!

**Write Tight** Dec 18 2021 "These days, most creative-writing courses teach self-indulgence. Write Tight counsels discipline. It is worth more than a university education. Its advice is gold." - Dean Koontz Foreword by Lawrence Sanders Not since The Elements of Style has a writing guide had the ability to turn a writer's work around so effectively. Every writer struggles with keeping their prose focused and concise, but surprisingly few books address this essential topic. Write Tight is an informative and utterly readable guide that tackles these issues head-on. William Brohaugh, former editor of Writer's Digest, goes beyond the discussion on redundancy and overwriting to take on evasiveness, affectations, roundabout writing, tangents and "invisible" words. Other topics include: -Outlining the four levels of wordiness -Identifying 16 types of flabby writing -Exercises that help writers avoid wordiness -Streamlining through sidebars and checklists -Tests that show how concise a writer's prose is "Write Tight is a supremely valuable, 'must-have' for aspiring writers in all fields from prose to nonfiction, journalistic copy, screenwriting and so much more." -Midwest Book Review

**Confidence Culture** Sep 15 2021 In Confidence Culture, Shani Orgad and Rosalind Gill argue that imperatives directed at women to "love your body" and "believe in yourself" imply that psychological blocks rather than entrenched social injustices hold women back. Interrogating the prominence of confidence in contemporary discourse about body image, workplace, relationships, motherhood, and international development, Orgad and Gill draw on Foucault's notion of technologies of self to demonstrate how "confidence culture" demands of women near-

constant introspection and vigilance in the service of self-improvement. They argue that while confidence messaging may feel good, it does not address structural and systemic oppression. Rather, confidence culture suggests that women—along with people of color, the disabled, and other marginalized groups—are responsible for their own conditions. Rejecting confidence culture’s remaking of feminism along individualistic and neoliberal lines, Orgad and Gill explore alternative articulations of feminism that go beyond the confidence imperative.

**Powerboat Handling Illustrated** Mar 29 2020 From docking to surviving storm waves, everything you need to know before you hit the water Using hundreds of illustrations and photos, Powerboat Handling Illustrated shows you step-by-step how to do tasks such as docking, trimming, wave handling, and close-quarters maneuvering. These maneuvers are adapted to different types of boats under various conditions.

The Windsor Magazine Jun 19 2019

**Exactly as You Are** Sep 27 2022 Welcome to the spiritual neighborhood of Fred Rogers “I like you as you are Exactly and precisely I think you turned out nicely And I like you as you are.” Fred Rogers fiercely believed that all people deserve love. This conviction wasn’t simply sentimental: it came directly from his Christian faith. God, he insisted, loves us just the way we are. In *Exactly as You Are*, Shea Tuttle looks at Fred Rogers’s life, the people and places that made him who he was, and his work through Mister Rogers’ Neighborhood. She pays particular attention to his faith—because Fred Rogers was a deeply spiritual person, ordained by his church with a one-of-a-kind charge: to minister to children and families through television. Tuttle explores this kind, influential, sometimes surprising man: the neighborhood he came from, the neighborhood he built, and the kind of neighbor he, by his example, calls all of us to be. Throughout, Tuttle shows how he was guided by his core belief: that God loves children, and everyone else, exactly as they are.

**Me Being Me Is Exactly as Insane as You Being You** Apr 22 2022 A heartfelt, humorous story of a teen boy’s impulsive road trip after the shock of his lifetime—told entirely in lists! Darren hasn’t had an easy year. There was his parents’ divorce, which just so happened to come at the same time his older brother Nate left for college and his longtime best friend moved away. And of course there’s the whole not having a girlfriend thing. Then one Thursday morning Darren’s dad shows up at his house at 6 a.m. with a glazed chocolate doughnut and a revelation that turns Darren’s world inside out. In full freakout mode, Darren, in a totally un-Darren move, ditches school to go visit Nate. Barely twenty-four hours at Nate’s school makes everything much better or much worse—Darren has no idea. It might somehow be both. All he knows for sure is that in addition to trying to figure out why none of his family members are who they used to be, he’s now obsessed with a strangely amazing girl who showed up out of nowhere but then totally disappeared. Told entirely in lists, Todd Hasak-Lowy’s debut YA novel perfectly captures why having anything to do with anyone, including yourself, is: 1. painful 2. unavoidable 3. ridiculously complicated 4. possibly, hopefully the right thing after all.

**You Can’t Be Serious** Dec 26 2019 The star of the Harold and Kumar franchise, House, and Designated Survivor recounts why he rejected the advice of his aunts and guidance counselors and, instead of becoming a doctor or “something practical,” embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this “incredibly joyful and insightful” (Kiefer Sutherland) memoir. *You Can’t Be Serious* is a series of funny, consequential, awkward, and ridiculous stories from Kal Penn’s idiosyncratic life. It’s about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie *Van Wilder*...or getting a phone

call from Air Force One as Kal flew with the country's first Black president. "By turns hilarious, poignant, and inspiring" (David Axelrod, New York Times bestselling author), Kal reflects on the most exasperating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, *You Can't Be Serious* shows that everyone can have more than one life story. The book "is insightful, funny, and instructive for anyone who's ever grappled with how they fit into the American dream" (Ronan Farrow, New York Times bestselling author), and demonstrates that no matter who you are and where you come from, you have many more choices than those presented to you. And okay, yes, it's also about how Kal accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let's be honest, that's the kind of stuff you really want to hear about.

**Meant to be Mine** Aug 14 2021 What if you knew exactly when you'd meet the love of your life? 'Beach-reading at its best' COLLEEN OAKLEY 'Orenstein is the master of the modern romance' ELYSSA FRIEDLAND A witty and modern new love story in the vein of Rebecca Serle and Chloe Benjamin about a woman who knows the date she'll meet her true love - only he isn't quite as perfect as she always imagined. .... Edie Meyer knows her date. Her grandmother Gloria has accurately predicted the day every single member of the family has met their match. Edie's is June 24, 2022, when she's twenty-nine years old. That morning, she boards an airplane to her twin sister's surprise engagement, and when a handsome musician sits beside her, she knows it's meant to be. But fate comes with more complications than Edie expected, and she can't fight the nagging suspicion that her perfect guy doesn't have perfect timing. And after a shocking revelation rocks Edie's carefully constructed world, she's forced to consider whether love chooses us, as simple as destiny, or if we choose it ourselves.

..... 'With its unique premise and a lovable cast of characters (including one super-hot rock star) *Meant to Be Mine* is beach-reading at its best' COLLEEN OAKLEY 'Meant to Be Mine is a compulsively-readable, effortlessly charming and thoroughly relatable book about the role of fate and the meaning of a soulmate. Orenstein is the master of the modern romance, and in this book she is at her best' ELYSSA FRIEDLAND 'A heartfelt and unique spin on the concept of fate versus free will, Hannah Orenstein's *Meant to Be Mine* had me

turning pages at a breakneck speed. The ending was absolutely perfect' TRACEY GARVIS GRAVES 'Orenstein takes a fascinating premise . . . and spins it into a sparkling celebration of love in all of its forms. This book has plenty of swoon-worthy romance, but it's also an effervescent love letter to family, New York City, and the magic of a great martini' LAURA HANKIN 'A rom-com-styled novel in the vein of Cecilia Ahern's PS, I Love You, exploring the power of tradition, obligation, and free will. A perfect beach read, Meant to Be Mine is a fun and flirty story dripping with style and charm' Booklist

*The Millions Within* Feb 20 2022 In *The Millions Within*, David Neagle documents his journey from dockworker to multi-millionaire entrepreneur, including how one simple awareness shift tripled his income in year one, and how in year two he transformed his previous annual income into his monthly income. While David's journey began with some "unconscious competency" on his part, he studied to become aware of what forces were at work. *The Millions Within* serves as a guide to the laws of the Universe -- how things work, and how you and your beliefs and intentions function in that system to produce the results you see in your life. The laws of the Universe produce the life you are living now -- whether you like it or not. But from that point of awareness, David shows how you can employ conscious, intentional use of these rules to produce the results (financial and personal) that you dream of...NOW.

**Beating All Odds** Aug 22 2019

*You Are Exactly Where You Are Meant to Be* Feb 26 2020 This 100-page journal includes daily affirmations for love, life, abundance. Each page is lined and includes an affirmation to remind you to work towards your goals. Ideal for gratitude journaling, manifesting, getting organized and keeping track of your goals.

*Say It In Six* May 11 2021 "This book offers you a gift more precious than money--it will enable you to say in six minutes what used to take you twenty." --Say It in Six Say It in Six is the freshest, fastest, most timely book on making presentations since the invention of the stopwatch. In crisp words by Ron Hoff and wonderful illustrations by Barrie Maguire, *Say It in Six* will help take the clutter and claptrap out of meetings that waste millions of dollars in time every working day. The book gets down to business in a hurry: \* Example: You'll learn how to "dump the junk" that makes most speeches about as buoyant as the Titanic. \* You'll learn a "high wire" structure that starts every speech with a crackle and closes with a 30-second bid for interaction. \* You'll be interacting with the author on almost every page. Example: Ron Hoff takes a first-class 12-minute speech by a speaker you'll recognize--cuts it down to six minutes--and asks you to vote for "long" or "short" on the basis of which one communicates the very same message. \* If you've ever had a bad dream about Traffic Court, you'll find that *Say It in Six* gives you a six-minute plan that will usher you right past the judge without denting your wallet or taunting your blood pressure. . \* Maybe, best of all, *Say It in Six* could help you hold your job through a sudden siege of downsizing. Here's a book that moves fast--that knows what it's against (wasting time) --and knows what it's for (communications that illuminate smart decisions). If you read Ron Hoff's first book, *I Can See You Naked*, you know this isn't going to be some ordinary, run-of-the-mill, stone-gray book on making presentations. It's fast, visual, and fun. Like a winning presentation should be.

**Exactly Where You Want to Be** Jan 27 2020 Many dream of owning a business, but the reality of actually doing so can leave entrepreneurs burnt out or trading too much time for too little reward. But commercial success, personal fulfillment, and quality time spent with loved ones aren't mutually exclusive. Business owners just need a competitive advantage to learn how to make their companies work for them, and to discover their own path to success. Corporate coach and serial entrepreneur Nick Leighton has helped countless business owners reset their goals and rediscover their passion. In *Exactly Where You Want to Be*, he presents a framework for how to

set achievable personal and professional objectives, as well as how to tackle tricky issues, including leadership, sales, marketing, outsourcing, management, hiring, communications, operations, consumer experience, and adapting to an ever-changing market. Your business can give you both financial and individual triumph, if you learn how to build it the smart way instead of the hard way.

**Exactly How to Sell** Apr 10 2021 The sales guide for non-sales professionals **Exactly How to Sell** walks you through a tried and true process that draws on time tested methods that are designed to attract and keep more customers. No matter what you are selling (yourself, your product or your services) this simple read is certain to provide you actionable strategies to deliver you more of the sales results you are looking for. Inside, Phil M. Jones writes from experience and explains how to get more customers and keep them all happy—while they're spending more money, more often. Using simple, practical, and easy-to-implement methods in line with the modern business landscape, Phil educates and guides you, giving you the confidence you need to develop the skills you need to win more business. Boost your salesmanship to support your core profession Create intent in a buyer and scenarios where everybody wins Choose your words wisely and present like a pro Overcome the indecision in your customers and close more sales Manage your customer base and have them coming back for more If you want to up your sales game, **Exactly How to Sell** shows you how.

**Exactly You! The Shape of Your Feelings** Jul 01 2020 **EXACTLY YOU: THE SHAPE OF YOUR FEELINGS** creates an outlet for starting conversations about big feelings, such as anxiety, depression, and self-esteem.
